

THE SECOND BOOK IN THE JUDGE MENT SERIES. A BREAKDOWN OF TRUST/ A LIE/A MURDER/AN ACT OF REVENGE The dashing,often witty, and controversial judge with an eye and nose for beautiful women is back. Still plagued by the murder in his courtroom, William Ment begins to have a strange recurring dream. When a trial involving the murder of a young British tourist on her honeymoon goes sour, a witness reveals facts that puts Ment on the trail of another serial killer. The trail leads him right back to his own doorstep and closer to home than he would have liked it to be. Faced with very little evidence and relying mainly on intuition, and his unique blend of logic, Ment must enter the domain of the killer in order to solve a string of murders. To what extent is he the fly caught up in the entangled web of violence, deceit, and ultimately revenge? Visit the Author at www.lawlegalklopper.co.za.
