

While researching her book Angel Medicine, Doreen Virtue began taking her workshop participants through a meditation so that they could experience a vicarious trip to an Atlantean healing temple. The results were so powerful that her audiences began asking her to record the meditation. The result is this audio program, which features a deep-clearing meditation designed to release stored emotional pain. Working with the archangels, you'll be able to cut etheric cords to challenging relationships, let go of past-life trauma and troublesome vows of poverty or suffering, open your chakras, and much more!
