

Pumping life, the teenagers in this novel jump off the page. From the intelligent but physically abused Gray Morrow, to his heroic but temperamental older brother, Gordon, and his tragic relationship with the city-wise but sexually abused Dusty Jones, this is a world many of us fail to recognise as very much our own. Often dark and sometimes cold, bloody and brutal, it is also filled with pathos, love and humanity. As If! is racy, with a pace reminiscent of an early Henry Miller, getting you involved in its poetically drawn world, and then lulling you into a sense of complacency, when WHAM, it hits you that this is no ordinary novel, something to be evidenced in both the content and style of writing as much as the universal themes of love, loss and need that are so brilliantly portrayed through the energetically alive, complex and richly drawn characters.- Dr Robert Schweitzer, Associate Professor in Psychology, Queensland University of Technology
