Shes bored with school and life...until she locks eyes with Caleb at a school dance. Caleb is new to Kates exclusive prep school, and its clear he doesnt fit in. In fact, he and his dad work in maintenance for Kates father. And while Caleb knows better than to spend time with the bosses daughter, it seems that every time he tries to back away, something pulls him right back in. When their parents demand that they are to stay away from each other, they learn of a fight between their families that occurred more than fifty years ago. Its a mystery Kate doesnt understand...but a legacy Caleb has endured his entire life.
