

Emerging from the chants of the slaves in the southern states, the blues became one of the most important elements of popular music, an art in its own right but also creating genres like jazz, rock n roll, and soul. Deep South: The Story of the Blues, details the history of this moving music genre from its beginnings until today. The author illuminates the most significant forms of the blues, its most influential artists, and its connections to other musical styles. Structured in four chapters with extensive information as well as fascinating images, the book comes with four related CDs that include tracks from the giants of blues, and is an entertaining and informative overview of the development of this musical genre. The CDs tracks include Lead Belly, Son House, John Lee Hooker, Muddy Waters, Lonnie Johnson, Eddie Lang, Bessie Smith, Meade Lux Lewis, and John Mayalla.
