

From Flipper to SeaWorld, dolphins have long captured our hearts. We love these friendly, intelligent mammals, and they seem to return our feelings—they enjoy interacting with swimmers and have been known to encircle people under attack by sharks. Despite our familiarity with dolphins, though, we remain ill-informed about how they evolved, how they function, and how they have interacted with humans for millennia. Dolphin dives into the dolphin's zoology, as well as its social and cultural history, to offer a comprehensive view of these delightful creatures. Drawing on his years of experience working with and studying dolphins, Alan Rauch explores their propensity to live in pods and their ability to communicate through a variety of clicks, whistles, and other vocalizations. He examines their long relationship with humans, describing how they became the emblem of safe travel and charity, that the ancient Greeks featured them on coins, and that Hindu mythology associated them with Ganga, a river deity. As the rise in popularity of dolphinariums during the 1960s allowed the public access to dolphins, they became central characters in films like *The Day of the Dolphin* and *Johnny Mnemonic* and outsmarted humans in *The Hitchhiker's Guide to the Galaxy*. Packed with images and thoughtful insights, *Dolphin* is a revealing look at one of our favorite sea creatures.

The Book On Amazing Internal Stress Release: 10 Steps To Free Yourself Forever, SCOTT FORESMAN ADDISON WESLEY MATH 2005 HOMEWORK WORKBOOK GRADE 1, Rand McNally New Century World Atlas, Census Edition, Circular of information Volume 3, Glass Tumblers: 1860s to 1920s Identification and Value Guide, Life and Times of Richard III (Kings & Queens of England), Insects, Their Ways and Means of Living, 1938, Smithsonian Scientific Series, Volume 5 : 362 pages with illustrations., Face to Face with Butterflies (Face to Face with Animals),

Dolphin Facts, photos and videos wild dolphins reach out and connect with people on a regular basis, and often joyfully interact with dogs and children on.
