

«Los personajes de esta historia atraparon los corazones de sus lectores y nunca los dejaron ir. Una lectura obligada.» School Library Journal Ivan es un poderoso pero tranquilo gorila espalda plateada. Vive en la salida 8 del centro comercial Big Top Mall, allí se ha acostumbrado a los humanos que lo observen a través de las paredes de cristal de su jaula. Rara vez echa de menos su vida en la selva. De hecho, casi nunca piensa en ello. Cuando conoce a Ruby, una bebe elefante que ha sido apartada de su familia, Ivan comienza a ver su hogar de una forma distinta. La inspiración para esta novela reside en una historia real. Después de ser capturado en edad infantil, Ivan fue criado en un hogar humano hasta que fue incorporado a una extraña colección de animales alojados en un centro comercial de temática circense. Ivan pasó 27 años de su vida solo en una jaula, sin ver a ningún animal de su propia especie, antes de ser trasladado a un zoológico en 1994.
