

Second-hand smoke gave Martin Muntor lung cancer...and hes mad. Very mad. And hes going to do something about it. Its 1995, and the tobacco industry thinks its invincible. But is it? Muntor devises an ingenious strategy to put Big Tobacco out of business, and he doesnt care how many people he has to take with him in order to do it. Cigarette company investigator Tommy Rhoads has other ideas, though. Whos right, and whos wrong? Read Find Virgil now, and go along for the wild ride. Youll never forget it.
