

This is the first Volume of my series of Life Happens Kindle eBooks. This book contains A Collection Of Funny Emails And Facebook Messages Dating From The 1980s To Current. This is A Collection gathered over the space of many years comprising Funny Emails sent to me from friends all over the world, and including another collection gathered from Facebook Messages after Facebook came into being. Designed to make you laugh until you cry, this Volume will appeal to the taste buds of many email enthusiasts throughout the world, who have perhaps already received some of this Volumes contents and sent them on to their friends providing viral growth for humour that is so badly needed by we as the human race. Laugh at yourselves, laugh with others. See someone elses point of view on a subject and laugh at that. This and subsequent books are here for your entertainment.
