

net adopts a genre-based and text-led approach that reflects the increasing emphasis on language use. Thematic and linguistic cross-referencing is built into the resources to facilitate links and mini-projects. The choice of extracts is informed by their appeal to both boys and girls, so that concerns about standards in literacy are met. The pupil anthologies contain examples of key language processes to support learning and assimilation of information. Differentiated material is provided to support all extracts for more and less able students.
