

The end of physical life does not have to mean the end of a day-to-day relationship with the people we love. Renowned medium Patrick Mathews reveals that we don't have to let go of family and friends on the other side?in fact, they benefit as much from ongoing communication as we do. Along with a treasury of heartwarming, compelling, and sometimes humorous true stories from his work as medium, Mathews provides answers to the questions he is most often asked about life in Heaven. Never Say Goodbye will help you learn how to recognize spirit communication and establish an ongoing relationship with those in spirit through simple meditations and other practices.
