

I love women. I'm not ashamed to admit that making a beautiful woman come is my main goal in life—one that I accomplish night after night. Women are as drawn to me as I am to them. I don't get turned down. It's not a brag, just a fact. At least it was a fact. Until I met Quinn—the one woman who didn't fall for my easy charm. Now, I have to have her. She may not want to get close, may not want to admit that I turn her on and can give her a night that she'll never forget, but she was mine the first moment I saw her. Eventually, I'll have her beneath me, my hands in her hair, and my name on her lips. It's what I do. I'm the Panty Whisperer.
