

The curriculum of Quareia takes a magical apprentice from the beginning of magic to the level of adeptship and beyond in a long and detailed magical training course. Each book of lessons builds on the ones before it, so we suggest that you work with the books in sequence. The second section of the training, the Initiate section, is where the magician learns to apply and develop certain magical knowledge and skills, while also laying the foundation for the adept training. The Initiate section of the Quareia training consists of eighty one lessons spread across ten modules, with each module containing eight lessons, plus a final initiatory lesson. It is the most extensive, in-depth and intelligent up to date magical course that is currently available worldwide. Book nine covers modules seven and eight from the Initiate section of Quareia: The Realm of the Inner Desert, and Magical Healing.
