

Ive been dating Stacy Gardner for quite a while and things are going well, except for one thing: Stacys Mom. The neighborhoods hottest MILF has decided that Im her plaything. When Im not trying to get in Stacys pants I am trying to satisfy her lusty mothers urges. Its Stacys turn with me and Ive gone to visit her at college, only to discover that she has something wild in store for me. Stacy isnt just asking me to fuck her friends, shes selling me to them as if shes my pimp. One after another, and all at once, its up to me to satisfy all of Stacys friends in a single insane night. Can I please them all? More importantly, can I survive them all? This 9,000+ word story is romantic erotica about the desires of an older woman and a younger man just becoming sexually active. It includes female dominance, hushed secret sex, foot worship, ass worship, anal, threesomes and a mind blowing orgy that might prove fatal to an overworked young man.
