

There are so many little details when it comes to attending a craft show and sometimes it can be overwhelming. I have attended them for years and even facilitated a 50 booth show for the Girl Scouts so I do know first hand some great tips and tricks to having a successful craft show and I wrote a book about it! Having sold hundreds, I thought I would also offer it to my Etsy friends. Contents include: Making Money Ideas 150 Tips Ways to Make Money after the Show Information on Suppliers Attracting People to your Booth Reviews This booklet is packed full of ideas and resources. Whether you are a veteran or novice at craft shows, this booklet is a must have. It is written from first hand knowledge. The ideas shared give you the information needed to be successful. Donna Davis - Mablevale, AR After my first craft fair I found this fantastic book called Success with Craft Shows. Wow did this make a difference at my next craft fair. After reading it, I implemented the ideas for my next craft fair, just two weeks later. And guess what? My sales increase doubled from the first fair! If you have never done a craft fair or would like to increase your sales, I highly recommend this book. Lisa Hollandar - Buckeye, AZ A few days ago I purchased your e-book on Craftshow tips. I have to say, that I've always been stubborn, having listened to the seasoned craft vets about NOT giving your items away or marking down as it takes away from the craftshow. Well today, I did a small church show (a new one for me) and applied the Craftshow Special tip in your e-book, and had a very successful show!! While I almost always do well wherever I go, with the economy still trying to recover, this tip really seemed to make a big difference in my sales. Denise Kondash - Whitehall, PA
