

Back in 1957, Theodor Geisel responded to an article in Life magazine that lamented the use of boring reading primers in schools. Using the pseudonym of Dr. Seuss (Seuss was Geisel's middle name) and only two hundred twenty-three words, Geisel created a replacement for those dull primers: The Cat in the Hat. The instant success of the book prompted Geisel and his wife to found Beginner Books, and Geisel wrote many popular books in this series, including Hop on Pop, Fox in Socks, and Green Eggs and Ham. Other favorite titles in this series are Go, Dog, Go! and Are You My Mother? by P. D. Eastman, A Fly Went By, by Mike McClintock, and Put Me in the Zoo, by Robert Lopshire. These affordable hardcover books combine large print, easy vocabulary, and large, bright illustrations in stories kids will want to read again and again. Grades 1 - Grades 2.
