

Over 300 offbeat, original writing exercises that develop creative thinking, valuable insights into the writing process and a close encounter with Nardo, the snake within, out to discourage everyones productivity. Write Outside the Lines (2012 edition) is the perfect hands-on, holistic workbook to let writers of all ages catapult their creativity and discover their best ideas! Most writing books present classic guidelines without providing ample exercises, or give scores of prompts with little technical guidance. None fully addresses lack of confidence and writers block. Write Outside the Lines leads readers through every phase of the writing experience, with humor and understanding. Its an essential, creative guide students will refer to for years.
